

Great Beginnings

New Teacher Mentor Program

Every teacher's journey is unique, and we are here to support you in every stage. Whether you are just starting out or are an experienced educator, a highly skilled mentor will be by your side, offering guidance and support.

Mentoring that Matters

Dedicated Mentors

Mentors undergo a comprehensive application process and engage in ongoing professional learning to ensure each new teacher receives high-quality mentoring.

Frequent Check-Ins

By meeting with mentees on a regular basis, mentors are able to provide timely and valuable support throughout the year.

Network of Support

New teachers are connected with curriculum, technology, student support, and other specialists from across the division as needed.

Teacher-Developed, Teacher-Driven

Our program was developed by teachers for teachers. Mentors seek input from mentees to determine areas of focus and work collaboratively towards goals set by the mentee.
