

KROGER GIFT CARD INFORMATION

The Kroger Gift Card is an EASY way for the GCES PTA to benefit when you buy groceries each month.

- The Kroger Gift Card is a pre-paid debit card that you buy for \$5.00 from the GCES PTA. Each card costs \$5.00 because there is \$5.00 already on it. In other words, the card is FREE! Each time you reload (add monies) to the gift card and spend it, **Kroger donates 5% to our school.**
- Your gift card MUST be ordered through the Grandin Court PTA.
- You can add monies to your card at any Kroger store. Before checking out at the register inform the Kroger cashier that you want to place a certain dollar amount (\$5.00 - \$500.00) on your card as your initial transaction and pay that amount with a check, cash, or credit card.
- Now is a great time to consider ordering additional cards for grandparents, friends and family who want to help our school by purchasing their groceries with a Kroger Gift Card.
- Another great idea is to use the Kroger Gift Card to buy at the Kroger “One Stop – Gift Card Shop.” Starbucks, Lowes, Bed Bath & Beyond, Home Depot, JCP, Bass Fishing, Belk and many, many more available to purchase.
- RELOAD...REPEAT...RELOAD...REPEAT...RELOAD...REPEAT ...RELOAD...
- Use your Kroger gift card over and over each time you shop at KROGER!
